

The dedicated volunteers of our college NSS cleaned the lake on 21/07/2018 at Porur Lake which was in an unhealthy state along with its surroundings promoting an environment of cleanliness.

The other NSS volunteers of other colleges also had their full participation along us in creating a better lake environment. Our NSS programme officers ensured full dedication, support, participation and service for a cleaner hygienic society. Above all it was just a sincere and soul-full contribution of our team towards the service for our nation.

The programme was published in the DHINAKARAN news paper dated 21/07/2018.

As far as it is concerned with promoting a better, cleaner, and a healthier environment, our college NSS has stood on the front lines and always supported & took action towards a cleaner India. This time our NSS team took on a rally in Korattur area and created awareness among the local societies on the usage of plastic. The rally started from our college and passed around Korattur Bus Terminus and was successful in spreading knowledge on harmful effects of usage of plastic on our health and also on the hygiene of our surroundings.

This awareness programme was published in the news paper DECCAN CHRONICLES dated

Our hon'ble Prime Minister, Shri.NarendraModi urged the people of India to keep their surroundings clean during his 1<sup>st</sup> address to the nation on the eve of Independence Day. NSS have been conducting various activities under the cleanliness drive in the past.

The NSS volunteers of our college took a first step in promoting a cleaner environment in educational institutions. Just as the saying "Charity begins from us" our dedicated team gave their service for a clean India starting from our college campus.

Our volunteers swept, cleared the littered ground and maintained hygiene around the food court of our campus creating a better environment for our college. Our volunteers maintain and instill cleanliness among the students for a clean educational environment.

As we know that the Gaja Cyclone created a lot of damages at vedaranyam, Rameshwaram, & Nagapattinam and the people in this area are in grave situation. The victims of Vedaranyam, Rameshwaram and Nagapattinam, are in need of some basic items to meet out the day to day activities. Most of the programme Officer's of this University came forward to help the victims.

We have donated materials which were useful for the people of Delta districts, who have been attacked by Gaja cyclone. We have collected materials from students and staffs , & contributed materials worth 2 lakhs for the relief of the victims in the Delta region.
